

Rainier Avenue Corridor: Street & Intersection Brainstormed Improvement Ideas

6.01.04

Intersection Redesign

Option A: Realignment of Current Streets

Option B: Roundabout

Extend 2nd St to Hardie Ave

See larger detailed map of Focus Area

Neighborhood Green Street / Woonerf

Add signaled intersection at mid-block

Half Closure at intersection to prevent northbound thru-traffic

Add signal

Relocate Park and Ride Lot along Hardie

Review intersection design

C-Curb to prohibit left turns except at signaled intersections (on Rainier between 4th Place and Grady Way; on Grady, flanking Rainier)

Add signaled intersection at mid-block

Double Left Turn Pocket

Eastbound and westbound double left turn lanes

- Additional Non Site-specific Improvements:**
1. Evaluate street vacations
 2. Signal coordination
 3. Reevaluate all one-way couplets

19th & Lind emergency signal for fire station
